Board Of Directors Update

Well, it's THAT time that one of our long standing Board members has decided to fly the coop and leave us.

Our Board President, former Architectural Chair and Beaver Hunter, David Gorlesky, has resigned his post on the board as he and his family are pulling a "Green Acres" and moving to the mountains.

We are sad to see David leave us but we wish him and his family well as they embark on a new chapter.

A simple "Thank you" really isn't enough for ALL that he has done for this community but we THANK YOU David!!

Best wishes with the move and in your home.

(Kyle, tuck in your Batman cape and quit blubbering. 😭)

With David leaving, Patrick Calvey has stepped up to join the Board. We Thank You Patrick for ALL you do in our neighborhood and for your dedication and volunteerism. Welcome aboard.

Residents are encouraged to join the open meetings to learn more about what's happening in the community or simply to share idea's.

2020 Meeting Dates:

October 20th

November 17th

December 15th

CC&R Amendment Votes

Friendly reminder that your vote for the CC&R amendments is very important. Unfortunately, we are short of getting our final numbers. As a result, we may have to go door to door to get the remaining votes we need to get the two thirds we need for votes to pass or fail.

Attached is a link to the amendments for your voting.

Please print and snail mail OR email them back to Cedar Management, if you haven't done so already.

Remember, these changes were brought about due to concerns the community residents expressed. Please be sure to vote for all **SIX** amendments. Whether it's "FOR" or "AGAINST", EVERY VOTE MATTERS.

Halloween

Every year the question comes up when we trick or treat in our neighborhood. We always do it the night Halloween falls on, whether it's during the week or weekend.

This year, we will follow County/State and Health guidelines for Halloween.

Pre pandemic our neighborhood would get a large showing of kids, both from the neighborhood and some from outside the neighborhood.

This year we ask that if you are not participating in tricks or treats, please turn off your porch light so kids will know not to approach your house.
